NOTICE

POST-GRADUATE ADMISSIONS 2021-22

It has come to our notice that despite opening the portal several times for the candidates to update their marks, some candidates failed to update their undergraduate marks/convert CGPA into percentage, which was a mandatory requirement for creating merit list.

All such candidates are hereby informed that the PG admission portal has been opened once again from **9:00pm November 18, 2021 to 11:59pm November 21, 2021** to update their marks/convert CGPA into percentage.

Students of University of Delhi who wish to be considered for Merit-based admissions must convert their Cumulative Grade Point Average (CGPA) to Percentage using the following formula:

Final % of Marks = CPGA in all 6 semesters X 9.5

The candidates who will update their marks now will be accommodated in subsequent list/s as per their merit and availability of seats.

This is the last opportunity to update the marks. No grievance related to inability to update/incorrect entry of marks will be entertained hence after.

You are advised to regularly check the admission website of the University (https://admission.uod.ac.in) for latest updates and notifications.
